# NORFOLK WINS ANNUAL GAME

Great Thanksgiving Contest to be Played on Lafayette Field.

## THE SITUATION SET FORTH

Dr. Christian Elected Intercollegiate Representative and W. C. Cole Coach for Year.

(Special to The Times-Disputch.)

UNIVERSITY OF VIRGINIA, VA. January 6 .- The next Thanksgiving Day foot-ball game between the Universities of Virginia and North Carolina will be played at Lafayette Field, Norfolk, instead of Broad Street Park, Richmond,

This decision was reached at a meeting of the advisory board of the General Ath-Association, held this afternoon in the old chairman's office. The board, consisting of Dr. William G. Christian, Dr. William A. Lambeth, J. Tate Mason Edward M. Daniel, Vivian Slaughter, J. H. Shelton, J. B. Pollard, Hugh N. Page, Jr., and Murray M. McGuirg (the last named being the alumni member of the board), met at 3 o'clock. For two hours they listened to the claims presented by mond and Norfolk alumni, and shortly afterward went into executive

AN EXPLANATION. After considerable discussion, the board at 6:30 adopted the following resolu-

ous and successful efforts for so many years made by the Noriok alumni in the interest of the University Athletic Association; of the fact that they have never had a holdar kame, and that the whole community carnestly wishes for one game, and asks for but one, it is the sense of the executive committee that the next Thanksgiving game (November, 1905) shall be played at Lafayette Park. In arriving at this decision, the committee is fully conscious of the heartiness, loyalty and warm support accorded us by the Bichmord alumni, and trust that these alumni will see that in arriving at this conclusion we have been influenced solely by our desire to act with fairness to both parties, and in the best interest of the University and of the alumni of the two cities.

We are deeply grateful to the Richmond alumni for their recent efforts to secure an athletic park, and most earnestly hope that they will meet with complete success. We sincerely trust that in future years arrangements may be made entirely satisfactory to the two cities.

Dr. W. G. Christian was chosen to years made by the Norfolk alumni in the

cstly nope that they will have settly nope that in future years arrangements may be made entirely satisfactory to the two cities.

Dr. W. G. Christian was chosen to represent the University at the next meeting of the Virginia Intercollegiate Athletic Association, to be held at this institution next month.

NEW COACH.

W. C. (King) Cole, assistant coach at the University of Michigan during the past season, was cleeted head coach for this year's Virginia eleven.

Cole weights 190 pounds, is six feet in helght, and is twenty-five years old. He graduated from Marietta College (Ohlo) in 1902, entering the law department of Michigan that fall, from which he, graduates this spring. He played three years at Marietta, and in 1922 on the Michigan team, at tackle and half back, and also on the base-ball team the next spring. "There is no better man to be lad," is the way Yost puts it. "He can play anywhere on the team, and fis general knowledge of the game on every position makes him just the man for a successful coach. He is an all-round athlete, a man of fine appearance and excellent personality. One of the cleanest and best college men it has been my good fortune to know. In Cott, I know of no one whom I could, resommiend more highly, He is just the type of min needed in American colleges to-day to develop athletes along the right line."

It has been said that "a Tee-Dee Want" has a thousand eyes."

Sherlock Holmes had but two, although they were uncommonly good ones.

However, Holmes could not have found for you, over night, the one man in the city who most wanted to buy your house, or your store, or your horse, or your library, or your securities, or your automobile, or your old desk, or your piano; or the one man in the city who would be the best partner for you, or the best clerk, or coachman, or handy-man; or the one woman in the city who would be the most valuable stenographer for you, or cook, or housekeeper.

But the little thousand-eyed Tee-Dee Want finds these people for you—and finds them quickly, presenting no bill for "extras" or "disbursements," as Sherlock Holmes would have been apt to do.
